THIS MATTER, having come before the Court during the ReNew Court session on July 12, 2016 by Motion of the Government, represented by Assistant United States Attorney Glenn Moramarco, and the Defendant, Dion Whitfield, represented by Assistant Federal Public Defender Maggie F. Moy, having consented in open court, for an Order Modifying the Conditions of Supervised Release to include the following special condition of supervision:

‘The defendant shall undergo treatment in a mental health program approved by the United States Probation Office until discharged by the Court. As necessary, said treatment may also encompass treatment for gambling, domestic violence and/or anger management, as approved by the United States Probation Office, until discharged by the Court. The Probation Officer shall supervise the defendant’s compliance with this condition;’

and ordering that all other terms and conditions of supervised release set forth in the original Judgment of Conviction dated May 30, 2013 shall remain in full force and effect; and for good cause shown;
